Singers taking turns: "The standard of truth has been erected • No unhallowed hand can stop the work from progressing • Persecutions may rage • Mobs may combine • Armies may assemble • Calumny may defame • But the truth of God will go forth boldly, nobly, and independent • Till it has penetrated every continent • Visited every clime • Swept every country • And sounded in every ear, • Till the purposes of God shall be accomplished

Moroni: And the great Jehovah shall say...
All: The work is done!"

(Joseph Smith - The Standard of Truth)

*"I have a vision of homes alerted, of classes alive, and of pulpits aflame with the spirit of Book of Mormon messages... I have a vision of artists putting into film, drama, literature, music, and paintings great themes and great characters from the Book of Mormon. I have a vision of thousands of missionaries going into the mission field with hundreds of passages memorized from the Book of Mormon so that they might feed the needs of a spiritually famished world. I have a vision of the whole Church getting **nearer to God** by abiding by the precepts of the Book of Mormon. Indeed, I have a vision of flooding the earth with the Book of Mormon."*

President Ezra Taft Benson - October 1988 General Conference
